SPEED INTERVIEWING AMBASSADOR REVIEW SHEET

Ambassador Name (please print) _____ Date: _____

Student Name (first and last) _____ Question #: _____

INSTRUCTIONS

When reviewing the student’s response, please consider the following:

- 1) Did they actually answer The Question? People have a habit of telling interviewers what they know and not necessarily answering The Question.
- 2) Did the content of their answer seem reasonable to you given their experience, voluntarism, education etc.? Did they use the STAR Method?
- 3) Was their answer concise and presented with ease? Regardless of the content of their answer, were they comfortable with themselves?

After considering the above, please put a checkmark (✓) in the box below. Feel free to add comments if you think that would be of benefit to support your explanation. Comments will be gathered and not necessarily presented verbatim so feel free to be candid. (Comments will be themed for the student.) Even if someone exceeds, please feel free to share their pluses as well. Thank you!
